

SUPPLY LIST FOR 8TH GRADE MATHEMATICS

→ PLEASE NOTE SIZE AND QUANTITY OF SPIRALS! ←

- Graph ruled spiral bound notebook (**NO note pads**)
 - **Durable plastic cover** is preferred
 - **100 sheets (single subject)**
 - **Full size to accommodate 8.5" x 11" handouts and other inserts**
 - **Recommended quantity: 2 per semester (4 per year)**
- Pencils, preferably mechanical (at least 2 should be brought to school each day)
- Hi-lighters (at least 2 different colors)
- Colored pens or pencils (bright colors like red are preferred)
- Ruler (6-inch is preferred; 12-inch is fine)
- Scientific calculator (graphing calculators are not necessary)
- Small Post-It notes (durable plastic types are best)
- Glue sticks or glue strips (**NO liquid glue!**)
- Erasers (**NO liquid White-Out!**)

* Please note that the graph ruled spiral notebook might not be the right size, even though it lists its dimensions as 8.5" x 11". To test it, place a loose sheet of 8.5" x 11" paper on a page in the spiral. If the paper fits completely without extending beyond the page in the spiral, then the spiral is the right size.
